Each year on the first Tuesday after the U.S. Thanksgiving holiday, citizens around the world celebrate Giving Tuesday by supporting the causes they care about – and this year, we're thanking those who give by giving back to one lucky lake-lover!

Starting today until midnight on Nov. 27, 2018, [sign up through CanadaHelps](#) to become a monthly LWF donor and you'll be entered into a draw for a \$100 Mountain Equipment Co-op gift card!

Monthly gifts add up to create a year-round impact – plus, it's easy to do! When completing the [CanadaHelps online donation form](#), simply click the "Donate Monthly" button at the top right of the page then choose your preferred monthly donation amount.

LWF was founded by lake-lovers who believed they could change things for the better and that belief continues to motivate us. We are the only membership-based freshwater organization operating in Manitoba. We are committed to translating science into solutions for the health of our waters – and we are stronger together.

[Sign up today until midnight on Nov. 27](#) to become a monthly donor and be entered in our draw. We'll choose a winner on Nov. 28. (Already a monthly donor? Thank you! As a gesture of our appreciation, we're entering you in our draw, too.)

Good luck to all – and have a wonderful Giving Tuesday!
