We are thrilled to launch a new collaboration with [Barn Hammer Brewing Company](#). Big Water, a limited-edition, lake-themed gose, will be available while supplies last for the month of July. Barn Hammer's generous co-owners Sable and Tyler Birch will be donating \$1 from the sale of each bottle to LWF. Giving has never been so refreshing!

"Going to the lake is an essential part of summer for so many of us in Manitoba," says Alexis Kanu, LWF's executive director. "We're excited to celebrate local breweries and local lakes – two ingredients for a great Manitoba summer!"

"Summers wouldn't be the same without Lake Winnipeg," says Sable Birch, Barn Hammer co-owner. "It's really great to partner with the Lake Winnipeg Foundation on this project, and be able to show our love and appreciation for the lake and the important work that LWF does."

Big Water launched on June 28 – just in time to stock up for the July long weekend. It will be available by the pint or bottle at Barn Hammer's taproom (595 Wall St.), and by the bottle at select Liquor Marts throughout Winnipeg and in Gimli.

LWF's summer beer series will continue in August and September with limited-edition, lake-themed beers created by local craft breweries [One Great City](#) and [PEG Beer Co.](#)
