Looking for a holiday gift that keeps on giving? Our fundraising efforts include [product sales!](#)

### [IMG\\_0868.JPG](#)

New for 2016 is an exclusive line of [ornaments, art pieces and tote bags](#) featuring local artist Kal Barteski's signature brush script! Perfect for hanging on the tree, displaying on the mantle - or taking to the beach next summer!

### [Bunchberry\\_web.jpg](#)

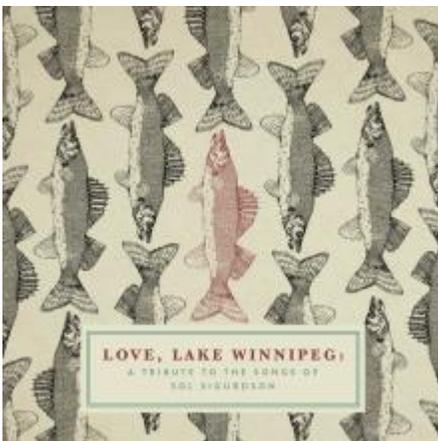

For nature-lovers, gardeners or local art history buffs, we've got vintage [limited-edition wood engraving prints](#), created by Henry Eric Bergman (1893-1958) and generously donated to us by this accomplished artist's descendants. Each print features a plant found within Lake Winnipeg's watershed and comes mounted on an 8 x 10, acid-free, archival mat - all that's missing is the frame!

### [LWF Walk Dunnottar 2015-178 LOW RES.jpg](#)

For the fashionistas, how about a handcrafted [sterling silver necklace](#)? Local jeweller Hilary Druzman has designed two special pieces for LWF as part of her popular philanthropic collection. They look great on their own or as companion pieces.

### [LWF\\_llw\\_digital\\_albumcover.jpg](#)

Have a music fan on your list? Merchandise from our recent musical collaboration, [Love, Lake Winnipeg: A tribute to the songs of Sol Sigurdson](#), includes the [four-song Love, Lake Winnipeg EP](#) and [whimsical art posters](#)!

## [H2Whoa.JPG](#)

Need a stocking stuffer? [Tiber River's H2Whoa foaming hand](#) soap fits the bill – and, because it's phosphate-free, it won't add any algae-causing nutrients to our waterways. (It also smells amazing!) One dollar from the sale of every bottle is donated to LWF.

Looking for a gift that doesn't need wrapping? Consider making a [donation](#) of any amount to LWF in honour of someone special, or purchase them a one-year LWF [membership](#) with a donation of \$50.

We have small quantities of all of our fundraising products at our Winnipeg [office](#), ready for purchase and pick up. Give us a call or drop in!

This holiday season, choose to make a difference for Lake Winnipeg.
